1 In his letter No.494 dated the 11th September 1914, the Chief Electrical Engineer reported that two volunteers of the B. R. V. Corps, Messrs G.E.Brown and H.E.Brown, both employed as Electrical Operators on the Bangalore Power and Lighting, were called away for active service over-seas and recommended that their appointment might be kept open for them till their return and their salaries paid during the period they were engaged in Military service.

2. As there were no rules regulating the pay, allowances, etc., of officials allowed either to go to the front or to join the Ambulance Corps, the Secretary to Government, General and Revenue Departments, was requested to furnish a copy of rules (if any) governing such cases. But he stated that the decision of the Government

Slip C

GPB—1,000—16-11-12

of India on the subject was still awaited.

3. From a further communication (No.625 dated the 11th December 1914) received from the Chief Electrical Engineer, it is understood that employees in Private Firms who belong to the B.R.V.Corps and who have been called away for field service have been granted leave on half pay and that Government servants volunteering to go to the front are granted furlough pay.

Slip B

4. In respect of the two Electrical Operators in question, the same concession may be shown, viz., their appointments might be kept open till their return and half of their pay sanctioned to be disbursed to their nominees. The pay of Mr.G.R.Brown is Rs.80 per mensem and that of Mr.H.E. Brown is Rs.60. The latter has desired that it should be paid to his parents in Bangalore. As two men on Rs.30 each have been temporarily appointed to fill up the two vacancies, there is a saving of Rs.80. But the leave allowances (half pay) to the two operators will amount only to Rs.70 and there will be no extra

expenditure incurred on that account.

5. Sanction is solicited to the grant of half pay to the two Browns during their employment on Military duty.

A similar rule has not yet been introduced here and even if it is introduced it will be for consideration if an 'furlough pay' also should not be borne by the Govt of India - as in the case of Govt of India employees. But as these employees are in the temporary Electrical Department' it is doubtful if they are entitled to any 'furlough' or 'furlough pay'.

15a It will be seen from the papers put up that in the case of Mr O'Doherty who of the Police Deptt. the period has been ordered to be treated as L-W-A. Perhaps for the present a similar course may be followed in the case of these Electrical Operators also.

I do not think the Govt of India can be asked to bear this charge - ks

14
There is no question in such cases of little to Govt or amount of Govt due. It is only a question of the fixation of pay & the question in such cases and it is fixed at 'Govt pay' ks

This decision was only provisional and was passed at pending receipt of information called for from the Resident 1916

A few officers of Government enrolled as volunteers having been ordered for active service it has become necessary to decide how the period of absence

over.

SUBJECT.

GPB—50,000—1-12-12

Home duty should be regulated and
what allowances should be paid
to them during such period. After
giving the subject careful consideration
the Govt of H.H the Maharaja are pleased
to order as follows:—

A Govt servant permitted to
volunteer for active service will be
given furlough pay, plus the pay and
allowances of Army rank. Absence
at the front will not be regarded as
an interruption of duty for leave
already earned and will count for
pension but not for leave. If the
officer in question was holding an
appointment on incremental pay, the
period spent on Military Duty will
count towards increments. On return
to civil duty such an officer will have
the right to resume the appointment
which he was previously holding or
an appointment of the same class and
Carrying probably.
